The **Discovery** Ergo Chair

Ergonomic Seating

The Discovery Ergo Chair

The Discovery Chair is designed to meet all requirements of ergonomic seating. This chair features a discovery mesh back and adjustable lumbar support, that clicks in and out of the back, for quick, easy adjustment.

THE DISCOVERY features

- ▶ Prolonged comfort with the generously sized, moulded foam seat combined with the mesh backing
- ▶ Removable arms which feature height, width AND angle adjustment techniques
- ▶ A black fabric and silver aluminium finish

The Discovery Ergo Chair is an environmentally friendly product and is also AFRDI certified (Level 6 severe commercial use)
