Spectrum

### ERGONOMIC FEATURES:

- 3-lever multifunction mechanism
  - Gaslift height adjustment: provides seat height of approx 420mm-550mm
  - Backrest angle adjustment: can be left in free-float mode to move with the user, supporting them as they work
  - Seat angle adjustment: forward seat inclination of up to 10° allows the user maximum proximity to their workstation
- Backrest height adjustment: backrest travels through a 110mm range lockable at any point
- Powerful lumbar and upper-back support
- Seat of unique top quality moulded foam for superior support and comfort

### POPULAR SPECTRUM OPTIONS:

- Long seat (520mm deep x 470mm wide)
- Wide seat (480mm deep x 520mm wide)
- Long/wide seat (520mm deep x 520mm wide)
- Inflatable Lumbar Support (offers variability of lumbar support)
- Adjustable armrests (height adjustable with a 70mm range)
- Alternative base and castor options
- Extra-strength upgrade (suited to excessive-use situations)

### ALSO AVAILABLE:
