The **M2** Chair

Ergonomic Seating

The M2 Chair

The M2 represents the latest in office technology, a back design that moves and breaths with you providing a new level of comfort and aesthetics. The M2 Chair adapts to the user, not the other way around.

THE M2 CHAIR features

- ▶ Polypropylene incorporated into the back, providing a new level of resistance, ensuring the back will never come loose
- ▶ Generously sized seat which is ergonomically shaped to provide prolonged seating comfort
- ▶ Black powder coated star base
- ▶ Synchronized mechanism, lockable in any position

The M2 Chair is an environmentally friendly product and is also AFRDI certified (Level 6 severe commercial use)
