# Smart Shelf

With the capacity to hold your files and folders, tuck away a notepad or a phonebook, and store all that messy stationary, the Smart Shelf provides a neat and modern solution to eliminate desktop clutter—while still allowing access to often referenced materials.

## THE SMART SHELF features

- ▶ Manufactured from 100% recyclable materials
- ▶ Can be mounted through the desk surface or on free-standing feet for a more flexible option
- ▶ Divided pull out drawer which is interchangeable in colour
