Steel Frame and Pedestal Bases

Tables / Table Base Systems

Steel Frame and Pedestal Bases

Montage Interiors also offer a more standard style of table base system, for users who require a more simple looking table base in their working environment. The Steel Frame and Pedestal Base options are ideal for these requirements.

FEATURES

- ▶ The Steel Frame Table Base features a range of sizes to suit each user's requirements, whether it is a:

- small coffee table
- large meeting room table
- staff room table
- bar leaner

Available in a range of coloured powder coat or chrome finishes, and a top to match.

- ▶ The Pedestal Base features a standard round pedestal design. Various sizes are available to suit a range of table tops, whether it is a:

- small coffee table
- large meeting room table
- staff room table
- bar leaner

Available in a range of coloured powder coat or chrome finishes, and a top to match.
