VEYHL WAVE Screen

The Veyhl Wave Screen is a step away from uniformed straight lines. The panel can be finished in perspex or fabric covered to match existing office furniture. The curved screen is both modern and attractive, providing an appealing, yet slightly unusual, format.

VEYHL DESK Rail

The Veyhl Desk Rail is a practical alternative to the Veyhl Screen. Style and function are combined in a minimum of space, with the principle of 'less is more'.

Veyhl Accessory Trays can be attached to improve functionality, while the size of the rail allows a more open plan office without the partitioning of the standard Veyhl Screens.

VEYHL SCREEN Accessories

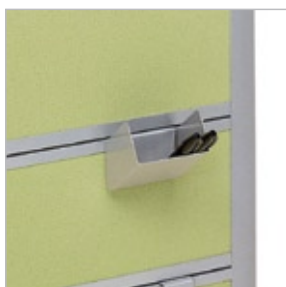

The Veyhl Screen Systems Accessory Trays are tools to be used in conjunction with all of the various Veyhl options. There are Trays for all purposes, as shown in the images provided.

▶ A4 TRAY

▶ POST - IT TRAY

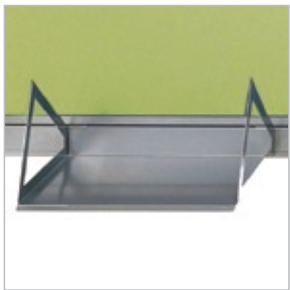

▶ PEN TRAY

These trays allow the user to keep a usually cluttered desk surface free of paper work, files, pens and pencils when not in use, while also providing quick access to often referenced materials.

▶ MULTIBOX

▶ FILE SUPPORT TRAY

ENVIRONMENTAL Policy

Montage Interiors aims to achieve best practice of environmental sustainability, not only across our product range, but also as an organisation. In order to attain this we recycle all manufacturing wastes and manufacture with environmentally sustainable and friendly products, where possible. This is also undertaken alongside our clients, to ensure you are provided with the best furniture system possible. All waste products are recycled, reused or disposed of in a responsible manner. We endeavour to use recycled eco panels, sustainable timbers with low or zero emissions, and water based products in favour of solvents, during manufacture.

Extended warranties on many of our core products, reconfigurable workstation systems, plus a buy back/recycling policy on many items, demonstrates our commitment to Environmentally Sustainable Design (ESD) and Product Stewardship.
